Proposal for Comprehensive Post-Construction Deep Cleaning and Fumigation Services
KAMIBRIX LIMITED

Professional Cleaning • Fumigation • Pest Control

1. Introduction

KAMIBRIX LIMITED is pleased to submit this proposal for the provision of comprehensive Post-Construction Deep Cleaning and Fumigation Services for the property.

Our objective is to deliver a thorough, professional and detailed cleaning service that will transform the property into a clean, hygienic, dust-free and move-in-ready environment. The project will involve the removal of construction dust, cement residues, paint splashes, grout stains, debris and other post-construction contaminants.

Upon completion of the cleaning exercise, comprehensive fumigation and pest-control treatment shall also be carried out across the entire property.

2. Scope of Work

The project covers the comprehensive cleaning and fumigation of the following areas:

A. Main Residential Building

1. Sitting Room and Toilet

- Comprehensive cleaning of the sitting room.
- Cleaning of floors, walls and accessible surfaces.
- Cleaning of windows, doors and fittings.

OUR SERVICES

POST CONSTRUCTION CLEANING | GENERAL CLEANING SERVICES | DEEP CLEANING & SANITIZATION | PEST CONTROL & FUMIGATION | WASTE MANAGEMENT SOLUTIONS | FACILITY MANAGEMENT & MAINTENANCE

Aldenco Estate,
Galadimawa,
FCT - Abuja.
@kamibrix_

- Removal of construction dust and debris.
- Deep cleaning and sanitization of the attached toilet.

2. Kitchen and Store

- Deep cleaning of the kitchen.
- Cleaning of cabinets, countertops and accessible surfaces.
- Cleaning of sinks and wall tiles.
- Removal of construction dust and residue.
- Comprehensive cleaning of the store area.

3. Three (3) Bedrooms with En-suite Toilets

The scope covers:

- Deep cleaning of three (3) bedrooms.
- Cleaning of floors, windows, doors and accessible surfaces.
- Removal of construction dust and debris.
- Cleaning of wardrobes and fittings where applicable.
- Deep cleaning and sanitization of the three (3) attached toilets.

4. Master's Bedroom

- Comprehensive deep cleaning of the Master's Bedroom.
- Cleaning of floors, walls and accessible surfaces.
- Cleaning of windows, doors and fittings.
- Removal of construction dust and post-construction residues.
- Detailed finishing and preparation of the room for occupancy.

5. Family Lounge, Toilet, Walk-in Closet and Balcony

The scope covers:

- Comprehensive cleaning of the family lounge.
- Cleaning of the attached toilet.
- Detailed cleaning of the walk-in closet.
- Cleaning of wardrobes and accessible shelving.
- Washing and detailing of the balcony.
- Removal of dust, debris and construction residues from all accessible surfaces.

B. Boys' Quarters

The Boys' Quarters consists of:

- One (1) Sitting Room.
- One (1) Bedroom.
- One (1) Toilet.
- One (1) Kitchen.

The scope shall include comprehensive post-construction deep cleaning of all areas, including:

- Floors and accessible surfaces.
- Doors and windows.
- Kitchen fittings and surfaces.
- Bedroom and sitting room.
- Toilet and sanitary fittings.
- Removal of construction dust, debris and residues.

3. Comprehensive Post-Construction Deep Cleaning Services

The cleaning service shall include, but not be limited to:

09164688546
kamibrix@gmail.com
3rd Avenue House 4,
Aldenco Estate,
Galadimawa,
FCT - Abuja.
@kamibrix_

- Removal of construction dust from all accessible surfaces.
- Sweeping and industrial vacuuming of floors.
- Removal of construction debris and accumulated dirt.
- Removal of removable cement, grout, paint and silicone residues where appropriate.
- Machine scrubbing of suitable floor surfaces.
- Cleaning and polishing of tiles.
- Cleaning of walls, skirting areas and accessible corners.
- Cleaning of doors, door frames and handles.
- Cleaning of windows, window frames and sliding tracks.
- Cleaning of wardrobes and accessible storage areas.
- Deep cleaning and sanitization of toilets and bathrooms.
- Intensive cleaning of kitchen cabinets, sinks and countertops.
- Cleaning of bedrooms and living areas.
- Cleaning of the walk-in closet.
- Balcony washing and detailing.
- Cleaning of switches, light fittings and accessible electrical accessories.
- Final detailing and finishing of the entire property.

4. Comprehensive Fumigation and Pest Control

Upon completion of the post-construction cleaning exercise, KAMIBRIX LIMITED shall carry out comprehensive fumigation and pest-control treatment of the entire building.

The fumigation shall cover:

- All bedrooms.
- Sitting rooms and family lounge.
- Kitchens and store areas.
- Toilets and bathrooms.

09164688546
kamibrix@gmail.com
3rd Avenue House 4,
Aldenco Estate,

@kamibrix_

- Walk-in closet.
- Balcony areas.
- Boys' Quarters.
- Relevant pest-prone areas.
- Accessible external and perimeter areas where applicable.

Fumigation Treatment Includes:

- Treatment against cockroaches.
- Treatment against ants.
- Treatment against spiders.
- Mosquito control.
- General crawling-insect control.
- Treatment of common household pests.
- Residual pest-control treatment where appropriate.
- Post-treatment guidance on ventilation and safe re-entry.

5. AMAC-Certified Fumigation Services

KAMIBRIX LIMITED is an AMAC-certified fumigation service provider.

Upon satisfactory completion of the fumigation exercise, the applicable AMAC fumigation/service certificate shall be issued as documentation of the completed fumigation service.

6. Project Cost Summary

09164688546
kamibrix@gmail.com
